Email: info@hwa.co.uk

Specifically the policy of the Company can be further defined as below.

- a) To be the first choice supplier to all our customers.
- b) To provide products and services that meet or exceed the customer needs and expectations by performing the correct tasks defect free, on time every time.
- c) To take advantage of improvements/evolutions in technology and improve the quality and range of services offered by the Company.
- d) Through the use of training, education and mentoring to ensure that responsibility and respect for jobs is maintained and that all staff in whatever position have the competency to perform their allotted tasks.
- e) To give constant attention to the quality of service and products provided, always seeking continual improvement in operations and systems.
- f) To regularly monitor the effectiveness of the Quality Management System by reviewing among other elements quality policies and objectives as part of the Management Review meeting.
- g) To ensure that both the customer and the Company achieve a fair financial benefit (value for money) from transactions following the requirement to pursue mutually beneficial supplier relationships.
